MANUFACTURING

AfintaPart is a leading distributor of specialist Japanese and European truck parts to the transport industry in Southern Africa.

Since our establishment in 1996, we have been dedicated to supplying high-quality parts to various transport markets, including fleet owners, truck hire companies, logistics firms, panel repairers, automotive engineers, truck repairers, and truck retail outlets.

Our products are sourced from carefully selected manufacturers worldwide, ensuring they meet industry quality standards. We provide OEM (Original Equipment Manufacturer) aftermarket parts directly from OE manufacturers globally. Additionally, we offer a wide range of guaranteed high-quality aftermarket parts and renowned local brands, all at competitive prices.

In line with our commitment to excellence, we have recently expanded our product range to include European truck parts, further enhancing our nationwide offerings.

1. DELIVERING CUSTOMER EXCELLENCE

We serve our customers with superior products, services and solutions, and strive to always exceed their expectations.

2. BEING AUTHENTIC

Being real, transparent and leading by example. We will avoid complacency and arrogance. What we say is what we do.

3. INSPIRING TEAMWORK

We collaborate and share knowledge to achieve our goals and business vision, striving for continuous improvement.

4. BEING FAIR AND CONSISTENT

We do everything in our power to think, act and react in a fair and consistent manner understanding that this creates trust.

5. EMBRACING TRUST AND RESPECT

Regardless of race, colour or creed, we will always treat each other with respect. We embrace diversity for a better future for all.

6. TAKING OWNERSHIP AND ACCOUNTABILITY

We are responsible for how Afinta Part performs and how it is perceived in the market. We will always strive to enhance the reputation and performance of the company through our actions.

7. INVESTING IN OUR PEOPLE

We believe in the passion and commitment of our people and encourage them to be the best they can be by supporting skills development and personal growth. Our people count.

8. HAVING A POSITIVE ATTITUDE

Having fun, staying positive and celebrating successes is how we inspire each other to strive for the extraordinary.

OUR VISION

To improve people's lives by envisioning, innovating and creating new avenues of access to leading edge mobility solutions (parts and services) at competitive prices through our strong relationships with suppliers and principals, while ensuring sustainable value creation for all stakeholders. We aim to exceed employees' and client expectations and become the *"Preferred supplier by choice"* for our customers.

OUR MISSION

Our promise is to deliver *"Quality Products, Quality Service"* in our chosen market segments. We serve these market segments by ensuring we have the best people and leading-edge information systems to support the highest level of service to our customers. To develop our employees in an accountable, transparent and equal opportunity environment, governed by a performance charter and management system.

IN SUMMARY

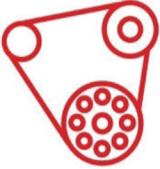

Our conduct is characterized by a dedication to our Mission Statement, Vision and Core Values; with a passion to serve our customers with the highest integrity.

We are committed to supply safety critical components that meet the standards of top-quality replacement parts, as set out by the RMI and MPEA Code of Conduct. We strive to operate in an environmentally friendly and responsible manner; ensuring that our business practice is non-discriminatory
